

Universidad La Salle

Mexico City

For over 60 years, Universidad La Salle has created a reputation as a visionary, humanistic and socially responsible institution of higher education.

La Salle is a member of *La Salle Universities*, one of the largest international organizations dedicated to accessible, quality education, research and social transformation. There are more than 76 Lasallian colleges and universities on five continents, 15 of which form *La Salle University Network* in Mexico.

Our educational philosophy is based upon the charisma of St. John Baptist De La Salle, a reference in education for 350 years. There are over 1600 Lasallian educational centers in 22 countries.
