

**International Short Programs in Mexico**  
Immerse yourself in Mexican culture!

# Welcome

## TO UNIVERSIDAD LA SALLE MEXICO

Founded in Mexico City in 1962, this renowned institution belongs to *La Salle Universities*, one of the largest education networks in the world with presence on five continents.

Located in Condesa, a lovely bohemian neighborhood, nearby the historic city center, the university consists of 7 faculties and 1 school:

- Faculty of Business
- Faculty of Law
- Mexican Faculty of de Architecture, Design and Communication
- Faculty of Chemical Sciences
- Faculty of Engineering
- Faculty of Humanities and Social Sciences
- Mexican School of Medicine \*
- School of Advanced Studies in Health \*

\*Located in the southern part of Mexico City

Each year, many international institutions send groups of students for tailor-made programs (from 1 to 4 weeks) to Universidad La Salle.

Besides an academic understanding of the matter, short programmes include professional visits to companies or NGOs and cultural activities, to allow the students to fully immerse themselves in Mexican culture and get an understanding of their study field in Mexico.
